

CLOSING ACCESS TO THE CASTLEREAGH STREET CAMPUS – COVID 19

Dear Student

This notice is to inform you that as of Monday 23 March 2020 there will be no further face to face classes held on campus due to the COVID 19 virus. This is for the safety of both the Students and the Staff.

What does this mean to you?

To maintain the conditions of your student visa you will need to attend the ALC Online Learning class. Your teacher will record your attendance.

There are many benefits by attending the Online Class:

- You will see and interact with your teacher at least three times a week via ZOOM.
- By having regular interactions, learning and asking questions your mind will be busy and occupied.
- You can continue to learn English and have additional support at any time by asking for it.
- You will be able to maintain the conditions of your student visa.
- All of this will assist you in this difficult time we are all experiencing.

What is Online Learning and what will happen?

Online Learning is a fun interactive way of learning without physically attending a class. You will still be able to talk to your teacher and class friends in the convenience of your own home. You will still be able to complete assessment tasks and ask the teacher for support.

In the next coming days, you will receive the following information:

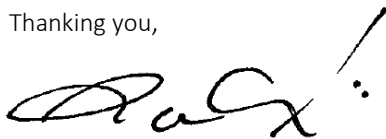

- A notification about Online Learning.
- An ALC Online Class Timetable showing when your online session will be and who your teacher is.
- A notification that will advise you with a link of how to access ZOOM.

Why has my learning changed?

ALC recognises that this is a difficult time for the learning environment and that the health of staff and students is a priority. This has all been a direct effect of the COVID – 19 virus.

During this time should you have any question please do not hesitate to contact ALC by sending a message to contact@alcollege.edu.au or call 02 8278 7233

Thanking you,

BRUNO TINI
Principal Executive Officer
